Many thanks.

Best regards,

Hi Ty-

I wanted to reach out and apologize for this e-mail. We have 'nag' e-mails setup and there is an occasion where I am just not able to apply the payment right away. Luckily we just hired helped for that, so this should not be an issue going forward.

Also – I have updated the account with Matthew's information

Ro,

Can these emails go to Matthew moving forward. And it's to the best of our knowledge that all miners were paid for last week on Monday. Nor sure why we are getting these messages.
